CALL SCRIPT

Initial Outreach

Introduce TRAVLR, build trust, gather basic info, move toward questionnaire or scheduled follow-up.

Follow-Up

Re-engage a homeowner who hasn't responded to prior outreach, without sounding pushy.

Questionnaire Handoff

Walk a warm/interested homeowner through starting the qualification questionnaire live, or send the link.

Proposal

Walk a qualified homeowner through proposed partnership terms, building toward the Proposal Introduction email/agreement.

Closing / Contract

Confirm the homeowner is ready to sign and walk them through next steps before sending the DocuSign agreement.

Landing Page Inbound

Acknowledge the homeowner's self-submission, confirm their interest, and move quickly toward the questionnaire or a scheduled next step — skipping cold-intro logic entirely.

LEAD DETAILS

Autofill

YOUR NAME (AGENT)

Jennifer Wampole

Auto-filled from your account — edit if needed

PROPERTY ADDRESS *

e.g. 123 Mountain View Dr

Required — teleprompter cannot start without a property address

HOMEOWNER / CONTACT NAME

e.g. John Smith (leave blank to use 'there')

CITY

PORTFOLIO STATE

e.g. Aspen

Colorado

Time Clock

Clock in/out, track breaks, and review your shift history.

Staying idle for 8+ minutes while clocked in triggers a check-in prompt, then an automatic break so time tracking stays accurate.

You are currently clocked out.

Agent Workspace

Each agent's personal dashboard: assigned leads, priority queue, and daily activity.

The image shows a dark-themed web application dashboard. On the left is a sidebar with a logo 'TRAVLR Prospect Finder' and several menu items: 'All Portfolios', 'CORE', 'Help (AI)', 'Theme' (with 'Light' and 'Dark' options), 'Notifications' (showing 48), 'Refresh All', 'Settings', and 'Help'. At the bottom of the sidebar is a user profile for 'Jennifer Wampole Admin'. The top of the dashboard has a 'Clock In' button and the user's name 'Jennifer Wampole Admin'. The main area features a greeting 'Good day, Jennifer' and a 'My Leads' button. Below this is a 'Ready to make calls?' section with a 'Start Calling' button. The 'My Leads' section has three tabs: 'Priority (0)', 'Follow-Ups (0)', and 'All (0)'. The 'Priority' tab is selected and shows 'No leads in this view' with a green checkmark icon and a phone icon.

Help Center & AI Assistant

Searchable documentation plus an AI assistant trained on the platform's exact workflows.

The image displays a dark-themed user interface for an application named "TRAVLR". On the left, a vertical sidebar contains several navigation items: "All Portfolios" with a document icon and a dropdown arrow, "CORE" with a grid icon and an upward arrow, "Help (AI)" with a speech bubble icon, a "Theme" selector with "Light" and "Dark" options, "Notifications" with a bell icon and a red badge showing "48", "Refresh All" with a circular arrow icon, "Settings" with a gear icon, and "Help" with a question mark icon. At the bottom of the sidebar is a user profile for "Jennifer Wampole" with the email "jen@staytrvlr.com", an "Admin" role badge, and an external link icon. The top header bar includes a "Clock In" button with a clock icon, the user's initials "JW", and the name "Jennifer Wampole" with a dropdown arrow. The main content area features a "Help Center" button with a question mark icon. Below this is a large heading "How can we help you?" followed by the text "Search articles, watch tutorials, and find answers to common questions." and a search input field with the placeholder "Search articles, videos, FAQs...". A horizontal separator line divides the content from the "Getting Started" section, which includes a lightning bolt icon, the title "Getting Started", and the text "5 articles · 1 videos · 6 FAQs". Below this are three tabs: "Articles (5)", "Videos (1)", and "FAQ (6)". A contact button with a telephone icon is positioned to the right of the tabs. At the bottom, a card titled "Platform Overview & First Steps" with a document icon and an external link icon is partially visible.
